CLERK: 32 ayes, 0 nays on the advancement, Mr. President.

PRESIDENT: The bill is advanced. LB 441. Has Senator Lewis arrived yet? Oh, Senator Burrows or Senator George, I am sorry.

SENATOR GEORGE: Mr. President, I am prepared to take LB 441.

PRESIDENT: All right. Thank you.

SENATOR GEORGE: This is an Education Committee bill.

CLERK: Mr. President, LB 441. Title read. The bill was first read on January 24th, 1977. It was referred to the Education Committee. Mr. President, it was advanced to General File. There are no committee amendments pending.

SENATOR GEORGE: Mr. President, I move to advance LB 441 to E & R Initial. The bill, if I can briefly explain that, is a rather simple one. We have an outdated kind of a provision that private and parochial schools have to be inspected by the County Superintendents. They are, I would like to remind you, under the same supervision by the Department of Education. They have to abide by Rule 18 which sets the minimum standards for all schools regardless of the fact whether they are public, private or parochial. So this is an unnecessary provision. We are just removing it. There will be an additional amendment which is on request by the Department of Education. Senator Lewis has the amendment. We can always put that on on Select File as there is nothing controversial about that bill.

PRESIDENT: Any discussion. The question is the advancement
